Get To Know The Product

Quality

The build quality of these movable adventure golf holes is excellent. As you can see from the cross-section image, the base is made up of flexible anti-shock, flame retardant ethylene-vinyl. The putting greens are covered in a quality 10mm pile artificial grass, with the fairways and roughs in a 45mm pile artificial grass.

- High-quality flexible build
- Easily movable with 2 people
- Great fun to play and compete

Design

There are over 25 golf hole designs available in the range! 8 designs for the full-size Adventure Golf and 12 design layouts for the Mini Adventure Golf.

Each hole also has its own golf theme props, or additional theming can be added to the course to create a more fun and appealing experience.

Playability

All holes have excellent playability and a variety of play routes.

Examples of shot types include:

- Direct shot
- Jump shots
- Rebound shots
- Tunnel and obstacle shots etc

This makes each hole exciting for every player...
